Green Campus Policy

A Green Campus is a place where environmental-friendly practices and education systems jointly promote sustainable and eco-friendly ambiance in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to the environmental, social, and economic needs of mankind. Green Campus status is achieved by making significant progress in cross campus community collaboration under one or a number of the following themes

- 1) To avoid Air and Noise pollution, S.D.M.Govt. Music College will restrict the entrance of any kind of automobile in the college premises.
- 2) S.D.M.Govt. Music College should encourage all Students, Faculty members & other staff to use Bicycles instead of automobiles on the college campus as well as in their daily life.
- 3) Cleanliness and Hygiene should be strictly maintained in the pedestrian path as well as college premises. Bins should be used for the disposal of any kind of garbage and litter.
- 4) S.D.M.Govt. Music College should ban the use of plastics according to Tripura Gazette Extraordinary Issue July 4, 2013 vide letter No.F.8(30)/DSTE/ENV/Pt-I/ 3794-3811 Dated- 03-07-2013.
- 5) S.D.M.Govt. Music College should maintain greenery in college premises by periodical planting various saplings as well as other places of Tripura to inspire others for maintenance of eco-friendly ambiance.
- 6) Smoking and chewing tobacco and single-use plastic bags and bottles are strictly prohibited on the college campus. Anyone found indulging in will invite legal penalties.
- 7) Periodically awareness campaigns will be organized to sensitize the green initiative of the institute.
